CALENDAR OF EVENTS 1981: The Diocesan Press Service will issue its 1981 Calendar of Episcopal Events soon. Please send the dates for the regional and national meetings about which you have information. Include the name of the event, the dates and city/state (and country if overseas). Diocesan conventions may be included but not other diocesan events. Please send the information even if you think we may already have the event on our calendar. Many persons throughout the Episcopal Church find the calendar helpful but it needs to be as complete as we can make it. Our deadline is December 15. Thank you for your assistance.
